REF: 851

Height: 76 cm (29.9")

Diameter: 98 cm (38.6")

Description

A carved mid nineteenth century Chinese centre table with exceptional carving.The top is circular with a carved foliate border and scalloped edge and striking rose marble inset.A texturally very detailed carved pedestal base raised on huge scrolls ,in a tree trunk and branch like design,giving the piece a rather contemporary look. Very unusual stylish form.
